Notice to Delinquents.

We are endeavoring to adopt a strictly cash-in-advance policy for subscription to the NEWS-LEADER and all delinquents who have not been notified otherwise may ascertain just how much they owe on their subscription by examining the label on their paper. If it reads Jan. 96 you owe us \$5.00 to Jan. 1901; and if it reads Jan. 00 you owe us \$1.00 to Jan. 1901. We have been sending out bills and we also have a collector in the field and every subscriber who owes will be given an opportunity to settle. We are trying to make the NEWS-LEADER worth the price of subscription and we must collect the price. All who cannot and will not pay up will be dropped from the list after being given due notice. The price of paper is advancing every day and we cannot afford to send out copies for no thing. We will say in conclusion that several hundred new cash subscribers have been added to our list within the past few months which is evidence to us that the NEWS-LEADER is being appreciated for which fact we are duly grateful.

The announcement of the death of Senator William Goebel last Saturday evening after lingering four days after being shot down by the assassin's bullet, while not unexpected, was received with general sorrow. There never was at any time a chance for his recovery although his strong fight against death at times led his friends to hope for the best. The remains of the dead statesman were taken to Lexington Monday where they were viewed by thousands of sympathizing friends, and on Wednesday they were taken back to Frankfort where the funeral was held. A great crowd at the funeral services and Senator Blackburn delivered an oration at the grave. The Democrats of Kentucky and citizens generally are holding in mass meetings to bury the assassination and the condition of affairs in this city. Citizens are private citizens and it is probable against the condition of anarchy which has been prevailing at Frankfort.

The Democratic and Republican leaders have met and agreed upon a compromise of the troubles into which the contests for the state offices have fallen and it now remains for Taylor to sign it. The agreement recites that the legislature is to meet at Frankfort and is to be in the report of the contest committee and the Governor is to be reported immediately. The agreement is a signature of Gov. Taylor has not yet made known his intentions.

who lived in the Pleasant Run
neighborhood just across the line
in Marion county, died at his
home on last Friday after a short
illness of pneumonia. The de-
ceased was 75 years of age and
a cultured gentleman and an up-
right citizen. He moved with
his family from Ohio fifteen
years ago and settled in Marion
county where he has engaged in
farming and raising fine stock.
He leaves a wife and eight chil-
dren, all grown. Mrs. C. A.
Green, formerly of Springfield;

She Carried the Papers.

A special from the Frankfort
correspondent to the Courier-
Journal says: The threats of
the Republicans to have the ad-
ditors take the Capitol Hotel and
seize all persons and papers
therein caused the Democrats to
take unusual precautions with
the Senate and House journals
containing the official record of
the election of Goebel and Beck-
ham as Governor and Lieutenant
Governor.

Fearing to trust these papers
in the pocket of any politician or
in a mattress, trunk or such or-
dinary place of concealment they
were placed where Mrs. C. C.
McChord could find them and
with directions to conceal them
about her person. She slipped
on or before Friday afternoon
the clerks had been at work, found
the journals, which were written
out on large sheets of paper, and
concealed them inside the waist
of her dress. They were so vo-
luminous and the paper was so
stiff that during the two days
when she had them she was im-
pelled to wear a large flowing
tail that hid the entire front of
the waist of her dress. The stiff

papers made deep indentations
in her skin, but she had saved
them from destruction from pos-
sible seizure, until they could be
sent away to a place of absolute
safety.

Public Meeting.

A mass meeting composed of
a large number of Democrats of
the county was called at the
Court House on Tuesday after-
noon for the purpose of making
some expression on the situation
in Kentucky and passing resolu-
tions of regret over the death
of William Goebel. Mr. Marion
Brady was elected chairman and
Walter Leachman secretary. The
Court House was well filled
with citizens from all over the
county and speeches were made
made by Rev. W. T. Overstreet,
W. S. Simms, Jr., T. S. Mayes
and W. D. Claybrooke. The
gentleman enlivened Mr. Goebel
and spoke with great feeling
over his untimely death denounc-
ing in strongest terms the
cowardly assassin who struck
him down. The following resolu-
tions were offered and unani-
mously adopted:

"We, the citizens of Washington
county, in public meeting assembled
for the purpose of taking action
and expressing ourselves upon the
present situation of affairs in our
beloved State, adopt the following
resolutions: Resolved, That in the name of all
that is near and dear to our hearts
we denounce in unqualified terms
the cruel and cowardly assassination
of Kentucky's greatest citizen,
Wm. Goebel, who was slain down
while in the discharge of our
duties at the very door of our State
Capitol by an infamous scoundrel
and traitor to the Executive build-
ing, occupied and controlled by the
then acting Governor of this Com-
monwealth and other republican officials.
Resolved, That in the death of
Governor Goebel, Kentucky and the
Nation has lost "a man designed by
nature and himself for inevitable
greatness, a man of the rarest talent
and the most commanding character,
whose moral qualities were as fault-
less as his intellectual combination
and whose vigorous and brilliant
and whose advancing eminence there
was no limit but the country." Though
respected by his political opponents
the enemies of the great common-
wealth in a manner hitherto unknown
in the history of this nation, yet, his
character of a man of the highest
caliber and his great and noble
character of today stands out in bold
relief untarnished and untouched by
the assaults of the cruel and merciless
plunderers and traitors. Few such
men are given in generations and
few such men have lived today. Their
loss will be felt greater as the years
roll on when we may vainly look
for a leader in our great battle for free-
dom.

We condemn the action of W. B.
Fowler, who was then the chief prose-
cutor of this great State, in permit-
ting his kindred to arm and attack
the State Capitol and to enter the
buildings occupied by the Legisla-
ture and the Court of Appeals of
Kentucky for the purpose of intimi-
dating the people's representatives.
We further condemn the action of
said Fowler and other Republican
State officials in permitting a band
of armed men, assassins and outlaws
to assemble in the public buildings of
this State, thereby making and com-
mitting such a foul assassination pos-
sible and their further actions in pre-
venting any attempt at capturing the
assassins by the State authorities to
permit the building to be searched.

And we condemn the acts of W. B.
Fowler in calling out the militia and
by force preventing a meeting of the
Legislature of the State at the place
designated by the Constitution, to
prevent our representatives from
transacting the business of this
State and passing upon his title to the office
of Chief Executive, which he held
in this great crisis, of our Representative
and State Senator, and condemn them
for the unpardonable works of our
dead citizens, Wm. Goebel.

And we hereby tender our deepest
sympathies to the bereaved family
and resolved that a copy of these
resolutions be sent them through the
Louisville Courier-Journal for publi-
cation.

A CARD OF THANKS

To the Members of Black
Hawk Tribe No. 24,
Imp. O. R. M.

Through the columns of this
paper, I desire to express my
thanks and gratitude to you for
your kind and loving care toward
my brother, John Hagan, de-
ceased. I feel that gratitude so
intense within that language is
too feeble to express my feelings.
Your untiring attention, your
loving vigilance, your devoted
care will reflect long on the mir-
or of my memory. In view of
such benevolence, I in the
future be able to repay in action
what I now cannot do in words.
I also appreciate with all my
heart the words of your kind-
ness in staying over and direct-
ing the society in their ceremony
—my best wishes go for the so-
ciety that a propitious sunshine
may greet them in their noble
work which I feel sure it will.
To extending thanks to the so-
ciety I also desire to express my
gratitude to many others, and es-
pecially to Mrs. F. B. Noe for
her kindness toward him in his
last hours.

A Night of Terror.

"A fearful anxiety was felt for
widow of the brave General
Burnham of Machias, Me., when
the doctors said she would die
from pneumonia before morn-
ing," writes Mrs. S. H. Lincoln,
who attended her during the
night, and was begged for Dr.
King's New Discovery, which
had more than once saved her
life, and cured her of consump-
tion. After taking, she slept all
night. Father was entirely cured
this. This marvelous medicine
is prescribed to cure all Throat,
Chest and Lung Diseases. Only
50c and \$1.00. Trial bottles free
at Haydon & Robertson's drug
store.
